SFHV's AUCTION BIDDING CONDITIONS

1. The listed auction lots have estimated starting price (in Swedish kronor: 1 Krona equals guiding about 8 pence, 9 eurocent, 10 us-cent), but can be sold lower or higher.
2. Commission bids (from non-present bidders) are executed without extra costs. If tie bids are received, preference is given the first chronologically received and logged bid.
3. Written commission bids are sent addressed to the Auction Coordinator Mr Bo Niklasson, Fridhemsgatan 4, SE-63358 ESKILSTUNA, SWEDEN, or email bo.niklasson@eskilstunamagasinet.se, to be received 5 DAYS BEFORE the auction date.
4. The Auctioneer has exclusive authority to, in case of necessity, resolve bidding disputes, to include, exclude or change order of items in relation to printed auction list.
5. Awarded auction lots will be sent as trackable registered postal package to foreign countries at the cost of the buyer, unless other arrangements have been agreed with the auctioneer BEFORE the auction. The buyer is also exclusively responsible to all possible added costs in relation to export and import charges, taxes and any bank fees, bank regulatory payment matters, etc related to the payment and or receipt of the package with awarded lots. The Auctioneer and the Auction Coordinator have no responsibility whatsoever of any consequences related to non-compliance of individual buyer's situation.
6. Any legal complaint, issue and matter related to the implementation of the Auction and its regulations and conditions shall be deferred to Stockholm's tingsrätt in Sweden, being the first instance of court procedures, and to apply the Law of Sweden.

SFHV's AUCTION CONDITIONS

1. On items consigned and sold at the SFHV auction, a ten (10 %) procent fee is collected by SFHV from the consignor on the knock-down price, upto and including maximum 5000 SEK. On knock-down price 5001 SEK and above, only five (5 %) procent is collected on total individual price. Buyer pays fifteen (15 %) procent in addition to the knock-down price, for and on behalf of SFHV. Lowest acceptable bid on individual lots is 50 SEK.
2. If a consigned and sold lot is returned by the buyer, SFHV has the right to collect from the consignor a fee of ten (10 %) procent of the minimum reserve acceptable price upto and including 5000 SEK, agreed before Auction. On lots returned, with minimum reserve price 5001 SEK and above, a fee of only five (5 %) procent is collected by SFHV from the consignor.
3. Net auction proceeds are paid out to the each consignor according to their instruction, at latest 6 weeks after auction completed, subject to received payments from buyers.

4. Each auction lot is sold "as is" in the condition it exists when auction hammer fall. Auction lots can be studied and observed at the site of the auction starting one (1H) hour before start-up of the auction.

5. Any complaint of the awarded auction lot shall be addressed at latest 7 days after the conclusion of the Auction event. Any intended consignor material is sent to SFHV at the total risk and cost of the potential consignor.

Kvalitetsklasser/Categories of Grades of Conditions

- 0 (Uncirculated, unfolded item in expected "mint condition")
- 01 (Extremely Fine, unfolded but with some minor handling marks)
